

EXPERIENCE STRENGTH C-LINE
BODY INSPIRED. MACHINE DEFINED.

Introducing the new exciting C-Line from Precor

Introducing **Experience Strength C-Line**, pure Precor quality in strength equipment that moves the way you move. Precor offers the total package: quality strength, superior cardio, engaging entertainment and comprehensive services.

This outstanding line delivers durability, attention to detail, and a sleek sculptural appearance to complement any fitness centre. Built on sound biomechanics to ensure optimal resistance and smooth interaction between user and equipment, easy-to-use Experience Strength products are designed to help you provide the ultimate Member Experience.

EXPERIENCE STRENGTH C-LINE

Pads are engineered to provide comfort and support for proper form. The user can make adjustments easily and conveniently while seated at the machine.

Simple, step-by-step instructions for set up and exercise include tips that help the user maximise their workout.

Every component the user touches is designed to enhance the workout experience, including extra large grips for pushing and standard-sized grips for pulling.

Sound biomechanics, durability and reliability are built into each Experience Strength C-Line machine.
